Pet-Friendly Program Policy

Last Updated: May 13, 2021

If you plan on traveling with your dog, reservations are required 3 days prior to arrival in efforts to ensure your family companion receives the welcome they deserve. The hotel permits dogs weighing 50 pounds or less. If traveling with two dogs, their combined weight may not exceed 75 pounds. The fee is \$75.00 for pet friendly rooms.

Failure to report a traveling companion will result in an additional \$75.00 fee to be automatically applied to your guest room for additional cleaning needs.

Upon check-in, an ID tag for each dog that indicates the Hotel's name and phone number will be provided. The ID tag should remain on the dog's collar during the entire stay and returned upon departure. ***Failure to return the dog tag at checkout will result in a \$25 fee to be automatically added to the guest room bill for a replacement tag.***

Dogs are not allowed in public areas such as restaurants, pool, golf course, etc. While on property we ask that your dog remain on a leash for the comfort and safety of others.

Be respectful of other guests and be sure to clean up after your dog. If you forgot your items, not need to worry, the hotel provides clean up kits around the dog walking areas.

Owner must maintain the "Dog on Vacation" door hanger on outside of door at all times, which is provided in your guestroom. If one is not provided, please dial extension 0 to have it delivered to your guest room.

We ask all owners to complete the hotel's pet friendly letter and provide a cell phone number in the event of an emergency. ***If no answer or reply, your dog will be moved to the approved local kennel listed below.***

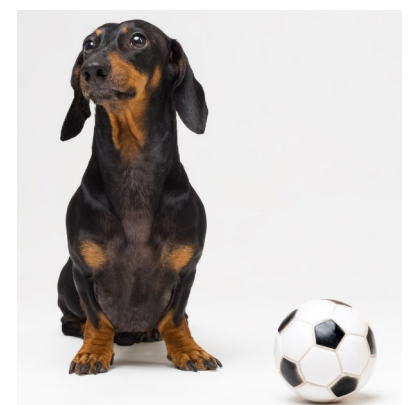

By the Pond Boarding Kennel: (229) 273-4109. 2885 Drayton Rd. Vienna, GA 31092

Owners please contact Housekeeping to arrange for daily cleaning services. Failure to make these arrangements will result in your room not being serviced. ***The dog may not remain in the room while Housekeeping is providing service.***

We ask that you not leave your dog unattended, but if for some reason you have to, we ask that it be crated. ***Failure to crate your companion will result in the relocation of your dog to an approved local kennel.***

Dogs can get excited being in a new place and may feel that they have to express themselves. We ask that you keep your dog's barking to a minimum as others like to follow suit. ***If the hotel has to respond to multiple noise complaints, a compensation fee will be automatically applied to your account not to exceed \$250.***

Dogs like to mark their territory and become anxious and gnaw on bedding. Please note owners are responsible for all damages to hotel property so you may want to ensure they are on their regular walk schedule and you do not forget their favorite toy. The hotel does not assume liability for a guest's pet or its actions while at the hotel. ***Failure to follow procedures can and will result in the Manager on Duty contacting the guest regarding noise complaints and providing kennel options if necessary.***
